

Anyone Who Eats This Bread

Refrain:

**Anyone who eats this bread lives forever,
this is my life for the world;
anytime you come together in my name
I am there with my love and with my peace.**

1. This is the bread come down from above,
the food of wayfaring Christians,
the life of our brother, Jesus Christ,
our way---our light and our deepest peace. *Refrain*

2. The poor and hungry are welcome here
to share this heavenly banquet;
believe in Jesus, God's word made flesh
and give your all to this moment of joy. *Refrain*

3. The Christ was born of Mary,
the promise fulfilled for salvation;
we bear his name with conviction,
that everlasting life will be ours. *Refrain*

4. This food endures to eternal life:
the Christ who is here and has risen.
We manifest our faith in him,
the teacher of all that is good and true. *Refrain*
