

Choose Life

Refrain:

**Choose life that you may be
a leaven for the human family;
then shall you live in peace,
as justice bears the gift of freedom
throughout all the world.**

1. This is the promise of our God,
whose spirit breathes within each heart of flesh,
calling all to live with care
for creatures, great and small, for earth, the waters and the air. *Refrain*
2. Children of earth, unite and sing
of beauty and of truth held in your hands;
flowers of hope you are for us,
as love becomes your bread in life, your life our only hope. *Refrain*
3. Prophets of progress, heed our cry
and listen to your inner spirit's thirst
for more of life that shall not die; make clear your choice to live
for others while there still is time. *Refrain*
