

## Hand of the Lord

***Refrain:***

**The right hand of the Lord  
has struck with power,  
the right hand of the Lord  
has renewed my life.  
I shall not die, but live and proclaim  
the faithfulness of God.**

1. Happy those who fear the Lord,  
delighting in his commands;  
friends and love  
will fill their house with joy. *Refrain*
2. I long for your saving grace;  
my hope is in your word;  
give me life  
and I will live your will. *Refrain*
3. Happy are those who trust in God,  
longing to know his ways:  
pilgrims who wander  
seeking truth and love. *Refrain*
4. Wonderful are your works, O Lord,  
creation sings your praise;  
hearts filled with joy,  
we sing of your great love. *Refrain*
