

## Hear from Our Heart

*Refrain:*

**Hear from our heart, O God,  
a prayer that goes beyond our words.  
Give ear to our desires  
that lay deep within.**

1. All of creation is groaning,  
with a pain that does not cease.  
Listen to our lament, O God.  
Your people are calling out to you. *Refrain*
  
2. We hunger for your word.  
Our thirst is vast as a desert.  
We hunger and thirst all of our lives,  
until the day we come to rest in you. *Refrain*
  
3. Heaven and earth and all they hold,  
are yours for you have made them.  
The nations and all of the peoples  
this fullness is founded on you . *Refrain*
  
4. On the edges of our scattered dreams  
the hopes of a new world are growing.  
Open and create our world again.  
O God, look deep within. *Refrain*
  
5. Give to us the comfort of your presence,  
a gift as real as your silence.  
May we nurture a passion  
that manifests your love for us. *Refrain*
