

House of Jacob and of Rachel

Refrain:

**House of Jacob and of Rachel,
come and walk in the light of Yahweh.
Come to the mountain of new freedom,
come to the place of peace.**

1. It will happen in the final days,
Yahweh's house will arise,
and all nations will be gathered in
to be taught in God's ways. *Refrain*
2. You will judge us with compassion,
nations you will unite.
Swords will be hammered into plowshares,
there will be no more war. *Refrain*
3. Silver and gold no longer worshipped,
idols shall be destroyed.
Proud of heart will be humbled,
arrogant as well. *Refrain*
4. Poor and oppressed shall be lifted up,
blest shall be the upright.
Yahweh's seedlings turned to beauty,
sheltered from all harm. *Refrain*
