

In the Stillness

Refrain:

**In the stillness of the night
we give you thanks
for all the goodness of this day:
Father, Son and Spirit,
calling us to live from our heart.**

1. With the dawn, fill us with your love;
give us peace, O God, with day's end. *Refrain*
2. With long life you will be present;
should our days be brief,
we shall know your loving hand. *Refrain*
3. For we know you to be the deepest gift in our life;
we shall sing forever of your loving kindness. *Refrain*
