

Let Us Be Holy

Refrain:

**Let us be holy as our God is holy.
May this sacredness enlighten our life.**

1. Yes, it is I who brought you forth from Egypt
to be your God.
You must therefore be holy
for I your God am holy. *Refrain*
2. You have been made in my image,
in my likeness.
Free and strong created,
to be companions on earth. *Refrain*
3. Heavens declare your glory, O God,
Earth proclaims your works.
Day tells day of your beauty,
and night to night your love. *Refrain*
4. No sound is heard nor speech given
to our ears,
yet our world knows you,
this message touches our heart. *Refrain*
5. More worth than gold, than purest gold,
such is your truth.
Thus your servant is formed,
your ways bring blessings to all. *Refrain*
