

Light of Salvation (Psalm 27)

Refrain:

**Light of salvation, why should we fear?
Why should we be afraid?
You are our refuge, deep in our life.
We need not be afraid.**

1. One thing I ask for, one thing I seek,
and this has become my prayer:
to live all the days of my life
in the joy of the household of God. *Refrain*

2. Yahweh, you hear my voice when I cry;
with mercy you answer me.
For I seek your face; do not hide.
I will sing and play music for you. *Refrain*

3. Do not refuse me; you are my help.
For shelter I come to you.
O do not desert or leave me,
for in you I have placed all my hope. *Refrain*

4. Teach me your ways; I follow your path.
In you I have found my home.
In all times of trouble and pain,
I believe in your goodness, your strength. *Refrain*
