

María of All Our Americas

1. O Mary, Israel's daughter,
lovely countenance of all God's people,
lead us into your silence, your strength.

Refrain:

**María de nuestras Américas,
of all our Americas,
María de nuestras Américas,
of all our Americas.**

2. O Mary, courageous sister,
bearing God's love made flesh,
your hands carry the dreams of the poor. *Refrain*
3. Mother of all the crucified,
and sign of our new humanity,
bright with the light of your risen Son. *Refrain*
4. You proclaim the dawn of justice;
in our history a flower of hope
in this continent pregnant with life. *Refrain*
