

May Yahweh Bless You

Refrain:

**May Yahweh bless you and keep you with care.
May the radiance of the Lord's face upon you rest.
May you know the graciousness of the one whose life is
the beginning and the fullness of our peace.**

1. You will walk in safety along the paths of the forest,
with shade and the fragrance of cool breezes;
you shall know God's presence. *Refrain*

2. You shall be led forth in joy by the light and the presence of Yahweh;
compassion and integrity will follow;
you shall find your home in peace. *Refrain*
