

## O Healer of All Life

***Refrain:***

**O that you would rend the heavens,  
pierce our blindness, cure our deafness,  
and draw so near to our side,  
O Healer of all life.**

1. Shepherd of Israel, bend your ear.  
Lead us, we are your own.  
We strain to hear the sigh of your love.  
Answer us! Return to our side. *Refrain*
2. Where is your zeal? Where is your might,  
the yearning of your heart?  
Your mercy dwelling so far away!  
Draw near, then we will be saved. *Refrain*
3. Why have we strayed far from your paths,  
hearts hardened like a stone?  
Stumbling, we fall, not knowing the way.  
Brighten our night with your light. *Refrain*
4. No eye has seen, nor ear has heard,  
such tenderness as yours.  
For, in the midst of our desp'rate lives,  
you pitch your tent of peace! *Refrain*
