

Walking this Journey

Refrain:

**Walking this journey to a freedom beyond injustice,
the spirit of Jesus empowers us.
Sharing with compassion, from our broken, yet courageous lives,
we welcome all in his name, to our table.**

1. Come, be nourished with our simple gifts of love;
In our heart a place is born for you to heal, to grow. *Refrain*
2. Share with us this food, be with us as Christ,
risen one whose presence, with our faith, we recognize. *Refrain*
3. Spirit of our God, lead us to be free,
caring for each other and caring for this earth. *Refrain*
4. Witnessing to truth, standing firm in faith,
we will not abandon the exploited ones the poor. *Refrain*
5. Following the voice of Jesus we are led,
to the feast of justice where all have dignity. *Refrain*
6. Reconciling love invites us to embrace
those rejected and betrayed by powers' arrogance. *Refrain*
