

## We Waited (Psalm 40)

*Refrain:*

**We waited, we waited for you, our God.  
Then you came to meet us and set us free.**

1. You do not abandon us to the pain of despair,  
to the emptiness of heart that has no hope.  
You set our feet upon the rock of your love,  
and have made our footsteps firm. *Refrain*
2. You set on our lips a song of praise,  
a song that praises your faithfulness.  
Nations will wonder at our resounding hymn,  
and all will trust in you. *Refrain*
3. How blessed are those who wait for you,  
who have not sided with the mighty and proud.  
How many are your blessings, O God.  
Our delight is founded in you. *Refrain*
4. When we gather to remember your name,  
to recall all you've done for us,  
we cannot keep silent nor nurture despair,  
for you are at our side. *Refrain*
