

When We Come to the Table of Life

Refrain:

**When we come to the table of life,
with deep faith in the Risen Christ,
we shall find strength to go on
giving in freedom love as did Jesus his life.**

1. Creator, God, you sustain us with bread,
and beyond death you invite all to rise up in light. *Refrain*
2. Through lonely nights clothed with doubt and with fear,
your presence, God, softly wakens new hope for the day. *Refrain*
3. It is your word in whom we have found faith:
Jesus, whose spirit of truth is within, healing love. *Refrain*
4. Clearly, you call us a leaven to be
for all humanity: one in your spirit, O God. *Refrain*
5. That we may see with eyes of faith
all our experience: you, God, are there to be found. *Refrain*
6. Pushing beyond lazy limits of mind,
urging our spirit to live with the heart of the Christ. *Refrain*
