

Wind, Where Are You Goin'

1. Wind, where are you goin',
where are you blowin' this very fine day?
Wind, where are you goin',
where are you blowin' this very fine day?
Got to be on my way,
I cannot stay here any longer.

2. Wind, where are you goin',
where are you blowin' this very fine day?
My friend is callin' me home,
is callin' me home,
this very fine day.
