

## With All Good Gifts

***Refrain:***

**With all good gifts within us,  
with the Gospel as our guide,  
let us set out together on the path to new life,  
to the feast of God's new earth.**

1. You who seek life, now listen  
with the ear of your heart. *Refrain*
2. You have been called to freedom,  
to serve one another in love. *Refrain*
3. Embrace with joy these companions  
to go with you on your way. *Refrain*
4. Like scattered grain on the hillside,  
you have been kneaded as one bread. *Refrain*
5. Seek after peace and pursue it.  
Let love be your light and your guide. *Refrain*
6. Here are my brothers and sisters,  
all who keep God's word alive. *Refrain*
